Most notably, **beginning of registration on Monday July 6th is shifted to 18:00**. The registration time has been squeezed to one hour in order to prevent you from waiting for the subsequent **Welcome party** in the *House of Professed* (a.k.a. *Assembly Hall / Refektář*), a representative hall in the 2nd floor of the conference building. Registration desk is located in the corridor just in front of it. See the plan of the building on the next page for explanation. The **Welcome party starts on Monday July 6 at 19:00**.

N.B.: Should you use the lift, please take into account that the 1st floor is marked as “0” (zero) – C/C++ array indexing style :-)

Lectures will be given in the **lecture hall S5 at the 3rd floor** of the conference venue building.
